one of the best value laptops for small businesses.

A New Level of Usability

Get work done with ease thanks to the 16:10 display that offers more vertical screen real estate. This small business laptop also features a 180° hinge, large touch pad, numeric keypad2, and keys with a 1.55mm travel distance for better usability.

Guaranteed Performance

With Intel vPro®1 and up to a 13th Gen Intel® Core™ i7 CPU1, NVIDIA® GeForce RTX™ 2050 GPU1, and up to 64GB1 DDR4 memory, this laptop offers all the performance needed to keep up with your work. It also comes with Acer Dust Defender that minimizes dust accumulation in the device for consistent performance.

Strong on Security

Secure your data and work without worry. This secured-core PC features discrete TPM 2.0, fingerprint reader1 and IR camera1 for secure login. The added privacy shutter reduces the risk of unauthorized access of your webcam.

Optimized Video Conferencing

The FHD1 webcam with HDR and TNR functions help you look your best in any lighting environment. Video calls are a breeze with dual microphones optimized with Acer PurifiedVoice’s AI-powered noise-reduction and upward facing speakers with DTS® Audio.

Staying Connected

Stay connected no matter where you are with Wi-Fi 6E1 and 4G LTE1 connectivity. Connect all your peripherals with this laptop’s wide variety of ports including a Type C Thunderbolt 4 port supporting 40Gbps data transfer and dual 4K displays.

Designed for Sustainability
