

Epson V12HA46010 projector accessory

Model: V12HA46010

Manufacturer: EPSON

EAN: 8715946695013

Product Code: 1072443

R12,154

Add powerful, time-saving features to select projectors1 with this easy-to-install external camera.

The ELPEC01 makes achieving sophisticated projection applications easy. Built for use with select Epson interchangeable lens projectors1, the ELPEC01 provides access to powerful projection tools that help speed up and simplify projector color calibration and geometric correction adjustment. Ideal for installations with multiple projectors, the ELPEC01 facilitates accurate color matching across networked projectors. The tiling assist2 tool is ideal for large or super wide displays via automated edge blending, while the stacking assist3 function allows for fast, simple stacking of two or more projectors to create a seamless image without the need for manual finetuning. Plus, with its easy-to-use design that doesn’t require an angle of view adjustment, getting up and running has never been easier.
