
LogiLink NK4003 socket-outlet RJ-45 Silver

Model: NK4003

Manufacturer: LOGILINK

EAN: 4052792027556

Product Code: 1053126

R820

LogiLinks CAT5E, CAT6 and CAT.6A shielded and unshielded keystone jacks are engineered with PCB technology, phosphor bronze IDC contacts, gold plated prongs, and a zinc die-cast with nickel plated housing (only shielded type). Our keystone jacks were engineered to simplify the termination helping you save time and money with features like easy to read wire labels, universal T568A & T568B wiring, 110 or Krone Punch down and tool-less termination when using the IDC cap. LogiLinks CAT5E, CAT6 and CAT6A Keystone Jacks comply with stringent industry transmissions and safety standards.
