
QNAP Dual-port, 10GbE SFP+ network expansion card

Model: QXG-10G2SF-NXE

Manufacturer: QNAP

EAN: 4711103086117

Product Code: 1058566

R6,935

The QXG-10G2SF-NXE 10GbE network expansion card, featuring two 10GbE SFP+ ports (10G/1G), is energy-efficient and budget-friendly. It serves as an ideal solution for teams that need concurrent data access, for photographers/videographers seeking rapid and seamless data transmission capabilities, or for latency-sensitive virtualization applications.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
