Simple, one-click wireless presentation for huddle spaces

The ClickShare C-5 brings simple, wireless collaboration to small meeting rooms and huddle spaces. You and your guests can easily share content to the room display, with just one click in the ClickShare App, from any laptop or mobile device. It offers a full BYOD experience, including screen mirroring with Airplay, GoogleCast and Miracast.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
