

Sandberg Headset converter(mobile) PC

Model: 508-67

Manufacturer: SANDBERG

EAN: 5705730508677

Product Code: 1081338

R797

Many headsets for smartphones connect to the phone’s 4-pin combined audio input and output. A PC typically has two sockets: an audio output and a microphone input. This adapter converts the single connector on headsets to a dual connector for your PC, allowing you to use your phone’s headset with your PC.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
