Model: PG75492

Manufacturer: PANZERGLASS

EAN: 5715685025747

Product Code: 1055446

R1,216

Powerful meets privacy! With this PanzerGlass® privacy screen protector made of 60% recycled glass, your personal info is safe from the prying eyes of people sitting next to you on the train, in the coffee shop, or at the office. The specially designed privacy filter renders the content of your screen virtually invisible to everyone except you. It even has a smudge-free coating that reduces traces of fingerprints and grease to give you a clear – but still private – view of your screen.

And the screen protection? It’s outstanding! With high-level scratch resistance, this screen protector shields your phone screen from accidental bumps, crushing falls, and other hazards of everyday life.

Or to put it in more sustainable terms: It prolongs the lifetime of your phone, postponing the need to produce new phones. This is one way of working toward a more sustainable future. Another is to use less packaging: In 2024, we reduced the amount of paper in our PanzerGlass® core product packaging design by an average of 66%*. So, of course, this product comes in a recyclable FSC™-certified box.

With the enclosed EasyAligner made of 100% recycled plastic, installation is a piece of cake (seriously!). To make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: Once installed, you'll never again fear your phone falling screen-first. This might not happen, but then again … it might!

The screen protector is Ultra-Wide Fit. This means it covers the front surface of your phone, providing a complete view of your screen while leaving a little room around the edges for a PanzerGlass® case, for example, a fearlessly fashionable case from CARE by PanzerGlass®. And if you're thinking: "What if my camera lenses get scratched?" Well, help is just a few clicks away: Combine your screen protector and case with PanzerGlass® PicturePerfect or Hoops®.

*Reduction from 2022-2024 measured by comparing selected products from the PanzerGlass® core range.
