"Power bank 8000 mAh, 2x USB-A, 2-in-1 cable, black" from LogiLink

The mobile powerbank (additional battery) from LogiLink is especially suitable for mobile phones and tablets with high power consumption and enables charging of end devices on the road. Due to the compact design and the low weight, this additional battery can easily accompany you everywhere and prevents your end devices from shutting down at the most unsuitable moments. Compatible with any USB-enabled device such as smartphones, smartwatches, tablets, headphones, digital cameras and much more.
