Preset for Convenience

Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.

Schedule & Timer
Easily Manage Your Life
Create regular schedules and countplans to turn on/off with the brightness you set. Sunrise and sunset modes allow the light to activate automatically according to your time zone.

Start a Lifestyle Powered by Your Voice

Works with Amazon Alexa and Google Assistant to free up your hands. Just say “Alexa, turn on the light” or “Hey Google, dim my bedroom lights.”

Streamline Your Life with Remote Control

With L5350E and the Tapo app, you just need one tap on your smart phone, then everything is on. No matter how late you arrive home ,Tapo is always there. Welcome home!

Go on Vacation with Peace of Mind

Away Mode turns your lights on/off at random intervals to make it look like someone is home—deterring anyone with ill intent.

No Hub Required

Connect the L530E Light to your home Wi-Fi network, then you are all set. No need for extra hubs or other devices.

Energy Saving

Advanced technology allows Tapo L530 to use less energy than normal LED lights—only 8.7 W for 806 lm (60 W equivalent).
