R1,027

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

P20U, P22U, P51U, P52U: These Shuttle XPC all-in-one products come with two COM ports as standard. The PCP11 adds up to two more COM ports which makes it a total of four serial COM ports (RS232) with Sub-D connectors.

DS10U, DS20U: The Shuttle XPC slim DS10U Series comes with one COM Port and one VGA port as standard. If two COM ports are required, the existing VGA port may be removed and replaced by PCP11 instead.

XH410G, XH510G, XH510G2: with PCP11 an additional COM port can be installed on the backpanel.

Scope of delivery:
- 1x COM port adapter
- 2x affixing screw (UNC 4-40 thread)
- Installation guide

Ports:
External: Sub-D, 9-pin, male
Internal: 10-pin (2×5), female, 2 mm pitch

Cable:
9-pin ribbon cable
Length: Approx. 21 cm
