Made from recyclable materials on the inside and out. Using fabric woven from 17 recycled plastic water bottles, the 15.6” Cypress Security Backpack with EcoSmart® is thoughtfully designed to protect your work essentials while also protecting the environment.

Designed without any external pockets, the backpack is equipped with a single storage compartment that’s intended to thwart would-be thieves. Built to fit 15.6” laptops, the pack features a dedicated padded pocket for your laptop and smartly placed interior mesh pockets to keep the rest of your gear organised.

To ensure easy transport, the pack has adjustable, ergonomic shoulder straps and a padded back panel for an over-the-shoulder carry, a comfortable top handle to carry in hand, and a pass-through
