Philips Power Alkaline Battery LR03P4B/10

Model: LR03P4B/10

Manufacturer: PHILIPS

EAN: 8712581549824

Product Code: 1217840

R1,027

Your electronic products today, like electronic toys and portable audio, are more thirsty for power than ever. Keep them running longer with PowerLife Alkaline.

Top Performance

Alkaline technology is ideal for energy-hungry devices

Alkaline technology ensures power for high-drain devices.

Complete range which means a battery for every need

Philips offers a complete portfolio consisting of the most frequently used batteries (AA, AAA, C, D, 9V) in different packaging variations in order to meet your needs.

Alkaline batteries are 6 x better than average Zinc Carbon

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Alkaline batteries are six times better than average Zinc Carbon batteries.

The battery remains fresh for use for up to 5 years

Every battery suffers from energy loss when not in use. We guarantee that the battery contains at least 80% of its initial energy within the best before date.

Ease of Use

Easy-to-understand language-free user instructions

Universal language-free symbols on the packaging explain how and where the battery can or should be used.

Environmentally Responsible

Philips Alkaline batteries contain 0% Cadmium, Mercury, Lead

These Philips batteries are guaranteed free from harmful heavy metals such as Cadmium, Mercury and Lead.
