

ACT Monitor arm 32" office, gas spring, 1 monitor

Model: AC8311

Manufacturer: ACT

EAN: 8716065491470

Product Code: 1219307

R2,271

Create an ergonomic and space-saving work environment by using the full metal AC8311 Desk Mount with gas spring. Place the screen to your ideal height and viewing angle with only one hand by its convenient gas spring system. Ideal for flexible workspaces. The AC8311 Desk Mount is suitable for one screen up to 32 inch and 9kg and is easy to attach to your desk via a clamp or grommet mount.

Ideal for flexible workspaces

When working in an office space with flexible workspaces, you can use the AC8311 Desk Mount with gas spring. The AC8311 is easy adjustable in height and depth without any tools. Tilt, swivel and rotate your screen to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight thanks to the cable management system.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Additionally, the Desk Mount has integrated USB 3.2 Gen1, microphone and speaker extension ports.

With convenient monitor mounting system

Adjust the monitor to your preferences by setting the ideal viewing distance. The desk mount is suitable for one screen up to 32 inch with a maximum weight of 9kg each. The AC8311 is fitted with VESA 75x75 mm and 100x100 mm. The easy mounting system makes it possible to attach the monitor to the desk mount all by yourself. All mounting gear for both the clamp and grommet mount is enclosed.
