Product Code: 1072539

R4,011

The ViewSonic VA2732-H is a 27” (27” viewable) Full HD Monitor with IPS technology and flexible connectivity for use in the office or at home. With SuperClear® IPS technology and Full HD resolution, images are clear and detailed from a wide range of viewing angles. HDMI and VGA inputs allow for increased setup flexibility when connecting with other devices. The VA2732-H’s three-sided frameless bezel delivers a seamless viewing experience and comes equipped with Eye Care technology to help eliminate eye strain resulting from extended viewing periods. VESA compatibility guarantees easy adaption to both multi-monitor or wall-mount set ups.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

SuperClear® IPS

Enjoy rich vivid color and consistent brightness no matter the vantage point. With SuperClear® IPS panel technology, the monitor delivers consistent image quality weather you are looking from above, below, the side, or in front of the display.

Full HD 1080p Resolution

This monitor features Full HD 1920x1080 resolution for unbelievable pixel-by-pixel image performance. You'll experience amazing clarity and detail whether working, gaming, or enjoying the latest in multimedia entertainment.

75Hz Refresh Rate

With 75Hz refresh rate, this monitor delivers great visual fluidity and flawless graphics no matter how quickly the in-game action unfolds.

Three-sided Frameless Design for Seamless Viewing

With a three-sided frameless bezel, the monitor delivers clean and seamless multi-monitor setup capabilities.

Flexible Connectivity

HDMI and VGA inputs give you the freedom to connect your monitor to a wide range of devices.

ViewMode: Superior Color Rendering & Intuitive Settings

ViewSonic's unique ViewMode feature offers "Game," "Movie," "Web," "Text," and "Mono" presets. These presets enhance gamma curve, color temperature, contrast, and brightness to deliver an optimized viewing experience for different screen applications.

Comfortable Viewing
