Motion Detection

Receive a notification whenever your camera detects motion and see a video clip of the motion for closer inspection.
Also, you can personalize your own experiences by setting the motion detection zones to only capture what happens in the area that you choose.

Night Vision

Don’t wake up your little ones when you crack open their doors to check on them. Watch over them from your phone with 30 ft of night vision. You’ll have peace of mind, and they’ll have a good night’s sleep.

High-Definition Video

1080p definition video provides more clarity and sharpness in pictures
due to a higher number of pixels.
This helps with identification and recognition from far away.

Two-Way Audio

Communicate with a loved one through the built-in microphone and speaker.

Protect Your Privacy

Your privacy is ensured with privacy mode and a local storage card.

Privacy Mode

Shut down surveillance to protect your privacy whenever you want.

Local Storage

A microSD card stores up to 128 GB, equal to 384 hours (16 days) of footage. (based on laboratory conditions)

Alarm System

Not only will the camera send notifications to you when motion is detected, it’ll also trigger lights and sounds as an alarm.

Share Memorable Moments

Save the most unforgettable moments and share them with your loved ones. Tapo cameras are always there to help you record every memorable moment.

A Tap Leads to What Matters Most

The free Tapo app puts everything you need at your fingertips.
