

Western Digital Ultrastar 10TB SATA HC330 WUS721010ALE6L4 0B42266

Model: 0B42266

Manufacturer: WESTERN DIGITAL

EAN: 8592978184841

Product Code: 1576767

R13,414

Medium Capacity for High Access-Density Requirements

Delivering Economics and Access Speed to Data Center Applications and Workloads

As the industry evolves to develop purpose-built solutions for growing data storage requirements, IT managers continue to rely on mid-range capacity drives that are economical to acquire, yet deliver quick and reliable data access for traditional data center applications.

Designed to handle workloads up to 550TB per year, the Ultrastar DC HC300 series is a proven air-platform design that delivers up to the industry leading 10TB of capacity to help address the economic and access-density requirements of many data center workloads.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Ideal for storage and server applications, as well as distributed and scalable computing (including block and file storage architectures), the Ultrastar DC HC300 series provides fast 7,200 RPM spindle speeds and is offered in either 6Gb/s SATA or 12Gb/s SAS interface with advanced format 512e3 sector size.

Economical Capacity

4TB, 6TB, 8TB, and 10TB models for lower acquisition cost.

High Performance

Fast data access with 7200 RPM speed, transferring up to 255 MB/s.

Drop-In Ready

SAS and SATA options support traditional servers and storage.

Solves Access Density Challenges
