A smart & reliable travel partner

Make a statement wherever you go with the IdeaPad Slim 3 Gen 8 laptop, built for lightness and thinness, measuring up to 10% slimmer than the previous generation. Available in Arctic Grey, Abyss Blue, and Frost Blue, this sturdy build stands up to harsh drops with military-grade durability for extreme travel conditions.

See & learn more

Enjoy a rich media experience on the IdeaPad Slim 3 Gen 8 laptop with its screen that takes up 88% of the display’s surface area for a picture that looks like it’s floating in space. Plus, the display is TÜV Low Blue Light Certified, so if you need to work for a few hours, your eyes won’t get fatigued easily. And as you enjoy the visuals, you can also treat yourself to the amazing sound of Dolby Audio™.

A multitasking master

Work smart and seamlessly every day across multiple applications simultaneously while on the go with the robust performance of the latest AMD processors and abundant memory, enhanced by the adaptive performance of Smart Power. Store and quickly access your massive media library with plentiful SSD storage also.

Peak versatility

Go faster and farther in your digital life with full-function USB-C ports for accelerated power delivery, display output, and data transfer. Enjoy an optional 2-in-1 fingerprint reader integrated with the power button, and a built-in webcam with a privacy shutter. Keep pace with a larger battery and rapid-charging technology that provides two hours of use on a 15-minute charge.

AI that improves your experience

Smarter learning starts with smarter features powered by the Lenovo AI Engine. Maximize your performance, battery life, and thermals based on what you're doing with the adaptive Smart Power
