Dive into a world where every pixel illuminates with breathtaking contrast and cinematic color. The 4K UHD OLED display with true 10Bit brings visuals to life, while image retention refresh keeps your display pristine and clear.

SPEED DEMON

Embrace seamless gameplay at breakneck speeds. With a 240Hz refresh rate and Dynamic Refresh Rate (DFR) capability, along with a 0.03ms (G to G) response time, your sessions will be fluid, unbroken, and unmatched – leaving ghosting in the dust.

VIVID REALITY

Colors leap off the screen with the DCI-P3 99% color gamut, Delta E<1 accuracy, and VESA DisplayHDR True Black 400. Immerse yourself in the most vivid and lifelike imagery your games have to offer.

FLAWLESS FLOW

Enter the game with AMD FreeSync Premium Pro (application in progress) and NVIDIA G-SYNC Compatible technology. Each display is validated to deliver a smooth, variable refresh rate (VRR) gaming experience, eliminating tearing, stuttering, artifacts, and flicker.

INFINITE CONNECTIONS

Connect effortlessly with top-tier technology. The Predator X32 OLED includes Type-C and HDMI 2.1 ports, alongside a built-in KVM switch, ensuring seamless transitions between devices.

ADAPTIVE COMFORT

Achieve the perfect viewing angle with the flexible Ergostand. Tilt, swivel, and height adjust to suit any environment, enhancing both comfort and immersion in your gaming world.
