

Eaton P036-02M-EU power cable Black 2 m IEC C20 IEC C19

Model: P036-02M-EU

Manufacturer: EATON

EAN: 037332281029

Product Code: 1081463

R1,248

Connects high-output devices with C19/C20 power connectors, including routers and blade servers.

Power Cord Connects High-Output Data Center Equipment to Reliable AC Power

This VDE-compliant power cable connects a router, blade server or other high-output network device with a C20 power inlet to a PDU, UPS system or surge protector with C19 outlets. It can also extend an existing power connection up to two meters (6.6 feet). The P036-02M-EU features an IEC-320-C20 end for connecting to an AC power source or cord and an IEC-320-C19 end for connecting to a blade server chassis or other high-output device.
