as comfortable as you need. In addition, the included vDisplay software gives you quick and easy OSD control, as well as customized screen templates for easy multi-tasking. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for quick deployment and a lower total cost of ownership.

BE MORE PRODUCTIVE WITH VIEWSONIC DOCKING MONITORS

Enjoy safety, flexibility and productivity with ViewSonic. ViewSonic offers a diverse range of display solutions to help companies make the most out of their flexible workstations.

Featuring state-of-the art ergonomic design, ViewSonic® docking monitors are the perfect setup for your changing work environment. With USB-C single-cable connectivity, RJ45 wired Ethernet connection and a USB hub for your accessories, there’s no need for expensive docks. One cable provides everything you need to connect and start working.

Enjoy peace of mind with an industry-leading warranty on all ViewSonic monitors and access to an award-winning customer support team.

REDUCE CLUTTER WITH SINGLE-CABLE SOLUTION

With a slim and reversible connector and easy single-cable docking, USB 3.2 Type-C connectivity reduces the reliance on multiple wires, cables, and adapters. In addition to fast data, audio, and video transfer, USB Type-C also provides quick 90W charging over a single cable.

A MORE COMFORTABLE WORKSPACE

With advanced ergonomic features including swivel, pivot, height adjust, and tilt, this monitor is designed to provide a greater range of adjustment for increased productivity and comfort. The monitor can tilt up to 40-degrees, making it ideal for use during group discussions and screen sharing.

COMMAND AND CONTROL MADE EASY

Integrated vDisplayManager software enhances productivity by putting the On-Screen Display (OSD) menu controls on your monitor’s screen. This delivers a more comfortable viewing experience by allowing you to quickly and easily adjust display settings such as volume, brightness, contrast, and more.

MINIMIZED TOTAL COST OF OWNERSHIP

Designed for the busiest of office environments, this monitor helps to reduce hidden business costs and delivers an efficient end-to-end enterprise experience. From installation time and recycling concerns, to user experience and screen performance, every feature of this monitor was carefully considered to not only meet your workspace demands, but to also reduce your TCO.

STUNNING 4K ULTRA HD RESOLUTION

Displaying more than 8 million pixels with a high pixel density, this Ultra HD 3840x2160 monitor delivers the ultimate in image detail and clarity for stunning, lifelike images. In addition, with 4x more pixels than Full HD resolution, this Ultra HD monitor displays more content to maximize productivity.

SUPERCLEAR IPS PANEL TECHNOLOGY

Enjoy accurate and vivid colors with consistent levels of brightness no matter the vantage point. With SuperClear IPS panel technology, this monitor delivers the same image quality whether you are looking at the screen from above, below, the front, or the side.

ENERGY STAR CERTIFICATION

This is an ENERGY STAR certified product that can save on energy costs* while reducing greenhouse gases.

*Energy savings may vary based on actual usage and other factors.

EPEAT CERTIFIED
