Introducing the Sony WH-1000XM5 – our flagship wireless headphones, with unbeatable noise cancelling, comfort, and style, available in multiple colours for your preferred look!

Experience unparalleled noise cancellation, now perfected with four microphones on each earcup and our powerful Integrated Processor V1. Immerse yourself in crystal-clear sound quality, thanks to Sony's innovative technologies, including gold-infused premium materials and optimised circuitry for flawless signal-to-noise ratio.

Enjoy your favourite tunes in High-Resolution Audio, delivering an immersive listening experience like never before.

Stay connected with industry-leading call quality, featuring Precise Voice Pickup Technology and advanced wind noise reduction for clear conversations anytime, anywhere.

Convenience is key with Adaptive Sound Control, Speak-to-Chat, and an automatic pause when you remove your headphones. Seamlessly connect to multiple devices with Bluetooth pairing and enjoy up to an impressive 30 hours of battery life on-the-go.

Revitalise your audio experience with the Sony WH-1000XM5 – where cutting-edge technology meets exceptional comfort and style.
