Router U60 Pro

Model: U60 Pro

Manufacturer: ZTE

EAN: 6902176162794

Product Code: 1723996

R5,958

The **ZTE Poland U60 Pro** is a state-of-the-art wireless router designed to meet the growing demands for speed and quality in internet connectivity. With a maximum data transfer rate of up to **3600 Mbit/s**, this router ensures fast and stable connections, making it an ideal choice for both homes and offices. Its **wireless operation mode** eliminates the hassle of cables, while the **internal antenna** effectively distributes the signal throughout your space, providing users with a reliable and efficient wireless network experience.

Security is a paramount concern when selecting a router, and the **ZTE U60 Pro** excels in this area by supporting advanced security standards such as **WPA3**. This significantly enhances the protection of your network against unauthorized access and other online threats. Additionally, the router's wide coverage ensures stable connections in various parts of your premises, allowing seamless use of mobile devices and desktop computers without signal interference.

Equipped with multiple ports, including **4 LAN ports** at **1 Gbps** and a **10 Gbps WAN port**, the **ZTE U60 Pro** is versatile enough to connect various devices. It also features **2 USB 3.0 ports** for
