R31,580

Our intelligent 114° 4K front-of-room camera, mic, and speaker device. Featuring a 4K, 30MP camera lens, 4 omnidirectional microphones, and an integrated speaker. Pairs with the Meeting Owl 3 or Pro (sold separately) to automatically focus on whoever is speaking and switch between cameras to always share the best perspective of the room for remote participants.

Front and center room coverage with intelligent camera-switching and automatic speaker focus to capture every angle
Clear video and audio with 4K 30MP camera, 4 omnidirectional mics, and high-fidelity speaker
Pairs seamlessly with other Owl Labs solutions, including the Meeting Owl, the Whiteboard Owl and the Expansion Mic, to foster active collaboration and increased participation
