The Samsung QE85QN70HAU is an 85-inch LED-backlit LCD television that delivers 4K UHD resolution (3840 x 2160). With its Neo QLED technology and Quantum Mini LED backlight, it provides picture quality enhanced by 100% Color Volume and a Wide Viewing Angle. The Dynamic Black EQ and HDR Brightness Optimizer ensure that dark scenes are detailed and bright scenes are vibrant, making it a choice for movie nights and gaming sessions alike. Its 3 Bezel-less and AirSlim design allows for a modern aesthetic that fits seamlessly into any living space.

Equipped with audio capabilities, this television features Adaptive Sound+, Object Tracking Sound Lite, and AI Sound Controller for an immersive audio experience. With a total output power of 20 watts across a 2-channel speaker system, viewers will enjoy clear dialogue and rich sound effects. The Q-Symphony technology optimizes audio across paired devices, ensuring synchrony and depth. The built-in smart features allow easy access to streaming services and web browsing, making entertainment options limitless.
