The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

Functions

The pendant surface mount box enables installation of the pendant wall or pipe mount with conduits (M25 or 3/4inch).
It provides a safe and robust solution to mount cameras directly to a ceiling or it can be used in combination with:
