

ACT Wireless mouse 2400 DPI with silent click, eco-friendly, made from recycled materials

Model: AC5151

Manufacturer: ACT

EAN: 8716065559569

Product Code: 1079204

R1,345

The ACT AC5151 Wireless Mouse is made from recycled materials and is perfect for everyday use in the office at home or on the road because of the ergonomic grip, accessible side buttons and 2400 DPI sensor to ensure accuracy and precision. The mouse comes with a wireless USB-A dongle and an on/off switch to save battery energy. The silent click buttons ensures quiet operation and are ideal for use in offices, libraries, and shared workspaces.

Made from recycled materials

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

At ACT, we care about the environment. That’s why we use recycled materials in our products. For example, the ABS plastic of this mouse is made from 85% recycled materials.

Silent click

The silent click feature in the wireless mouse produces minimal noise. Unlike standard mice that tend to create audible clicking sounds, this mouse is designed to operate quietly with its silent click mechanism. This is ideal for environments where it's crucial to keep noise levels down, such as in offices, libraries, or shared workspaces.

Nano receiver: storable inside the mouse

The mouse comes with a USB-A nano dongle. When you’re on the go, take the mouse with you, the USB receiver stores conveniently inside the mouse.

Adjustable DPI for Precision

Select your preferred DPI accuracy and precision. Choose between 1000-1500-2000-2400 DPI. This flexibility ensures you have the right level of precision for any task.

Intelligent Power-saving

The mouse features an intelligent power-saving function, and an on/off switch to extend battery life when the mouse is stored in your laptop bag and the buttons are accidentally touched. With one AA battery included, you're ready to go right out of the box.
