The Powershred 325Ci cross-cut shredder is a premium 100% Jam Proof machine, designed for commercial use in large offices, ideal for placing in copy areas and utility rooms to ensure a shredding best practice can be rolled out throughout the business and all information can be disposed of safely. This shredding machine shreds paper into 4 x 38 mm particles (P-4) as well as shredding staples, paperclips, credit cards and CD/DVD's too with a separate throat for CD/DVD's. The continuous duty motor means that the machine can be used at any given time, regardless of how many people have used it beforehand, ideal for high volume shredding. The advanced 100% Jam Proof System eliminates paper jams and powers through tough jobs, so along with the 24 sheet capacity and 240mm paper entry, you can be sure that the shredding process will be productive and fast. It's Sleep Mode feature will cause the machine to shut off after 2 minutes of inactivity. The large 83 litre pull out bin means you will have to empty the paper waste less frequently saving valuable
