Nowadays, monitors are getting bigger and thus have a wider stand. The AC8215 monitor stand is specially designed to raise wider monitors to a comfortable level. The stand is suitable for screens up to 32 inch and 10 kg.

Convenient drawers for storing accessories

The monitor riser has two large drawers for storing accessories e.g. documents and writing gear. The drawers are also suitable for storing A4 note pads. You even can raise your printer with the AC8215 and store the printer paper in the drawers.

Stackable columns for adjusting the height

Do you prefer to raise your monitor even more? Use the enclosed stackable columns to raise the monitor with three extra centimeters. If this still isn’t enough you can use the AC8220. This includes four additional columns with a height of 3 centimeters.
