R3,387

Create stunning, richly coloured photo prints that will last up to 100 years[1] with the SELPHY CP1500 compact photo printer. Simple Wi-Fi and USB-C connectivity makes printing from a range of devices fast and effortless. Use the SELPHY Photo Layout mobile app to personalise your photos with custom layouts, text, pattern overcoats, QR codes and more, then print seamlessly from your smartphone to share them with family and friends.

Benefits

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Print vibrant, postcard sized photos in just 41 seconds, that are water, scratch and fingerprint-resistant and can last up to 100 years

Print wirelessly straight from your smart device using the SELPHY Photo Layout app and connect via Wi-Fi to smart devices, computers and cameras, or via USB-C for computers, cameras and USB flash drives.

This small and stylish printer is perfect for the home, measuring just 182.2 x 57.6 x 133 mm

Personalise your photos with stamps, filters, pattern overcoats, QR codes and more, and share them with friends and family thanks to scannable QR code printing.

Portable printer with a large 8.9 cm (3.5”) LCD screen for simple operation and built-in SD, SDHC and SDXC card reader for direct printing.

Enjoy superb prints wherever you go with the optional high-capacity Battery Pack.
