

Lanberg CA-CMHD-10CU-0010-BK video cable adapter 1 m USB Type-C HDMI Black

Model: CA-CMHD-10CU-0010-BK

Manufacturer: LANBERG

EAN: 5901969436761

Product Code: 401596

R698

Due to the increasing popularity and universality of USB-C, it displaces other USB or video ports, as a result of which the latest laptops have USB connectors for connecting both peripherals and displays.

To meet the changes in the market, we offer USB-C to HDMI cables that allow you to connect the monitor directly to the USB-C port on a laptop or PC.

Thanks to use of an efficient chipset, the maximum resolution is 4k with a refresh rate of 60Hz.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
