

Cudy WU650 network card WLAN 433 Mbit/s

Model: WU650

Manufacturer: CUDY

EAN: 6971690790851

Product Code: 416653

R756

Dual-Band Wi-Fi for Faster, Smoother Connections

Experience faster connections with dual-band Wi-Fi. The 2.4GHz band ensures stable, long-range signals for daily tasks, while the 5GHz band delivers up to 433 Mbps for smooth gaming and HD streaming.

Compact Design, Easy to Carry

The WU650's sleek, compact design makes it easy to carry anywhere. Its small size won't block neighboring USB ports, providing hassle-free compatibility for all your needs.

Plug & Play

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With built-in drivers, the network card automatically adapts to your system and installs itself. Simply plug in, and enjoy seamless internet access with ease.

Share Wi-Fi Anywhere with AP Mode

With the WU650, you can turn your desktop or laptop's wired internet connection into a Wi-Fi hotspot, allowing devices like smartphones and tablets to easily connect and get online.

Broad System Compatibility for Every User

The Wi-Fi adapter supports a wide range of operating systems, including Windows, macOS, and Linux, catering to the needs of all users. Enjoy stable and fast internet connections across various platforms.
