Tapo C260 boasts free and powerful Al that recognizes and tags strangers, family, and friends for easy identification. lt categorizes events based on recognized faces and supports event retrieval, enabling you to find related incidents involving strangers.

Free Local AI Processing

All facial data is processed locally instead of uploading to the cloud, ensuring your privacy and security.

Pan/Tilt View

Smooth and Instant Viewing Experience

A wide range of coverage to capture every moment

Precise Smart Motion Tracking

Always Know What Matters Most to You

When motion activity is detected, tracks and follows the individuals and pets to keep it within view.

Clear Even in Low Light

The highly-sensitive starlight sensor captures higher-quality images even in low-light conditions.

Protect Your Privacy from the Very Beginning

Enhanced Privacy Protection

Set customizable block zones to keep certain spaces from being recorded so you never need to worry about personal moments being leaked.

Maintains your privacy to the next level—with the lens physically blocked by the housing in just one tap via the Tapo App.

Smart AI Detection and Notification

Smart AI identifies faces, person, pets, and vehicles while recognizing a baby crying and other sounds, notifying users as needed.

Customizable Activity Zone

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Control what alerts you receive by creating multiple custom activity zones around areas that matter.

Flexible Storage Choices

Save recorded videos on the microSD Card† (up to 512 GB) or by using Tapo Care‡ cloud storage services.

Two-Way Audio

Use crisp two-way audio to communicate with nosy roommates, family, or even mischievous pets.

Tapo Sharing

Share memorable moments or distribute access to your Tapo security devices with those who matter most.

Enjoy Easy, Friendly Setup and Mounting

Tapo app : Bluetooth Onboarding

Use Bluetooth to easily onboard the camera with the Tapo App.

New Wall-Mount Bracket

L-Shaped Mounting Bracket, supports both ceiling and wall mounting options.
