

InLine wall mount, for monitors up to 69cm (27"), max. 15kg, one-piece arm

Model: 23106D

Manufacturer: INLINE

EAN: 4043718299904

Product Code: 460516

R1,438

Compact mount with full mobility: The one-piece swivel arm allows flexible screen positioning with reduced wall clearance.
Increased security through theft protection: The padlock holder prevents unauthorized removal.
Tool-free device replacement: Sliding VESA plate facilitates installation and maintenance.
Reliable load capacity up to 15 kg: Ideal for 13–27-inch monitors with VESA 75x75 or 100x100.
Tidy workspace thanks to cable management: Integrated cable routing ensures a clean appearance.

The InLine® wall mount with one-piece swivel arm is a space-saving yet robust solution for professional monitor mounting. It is suitable for screens up to 69 cm (27 inches) and weighing up to

15 kg. The mount is VESA-compatible with 75x75 and 100x100 and allows for ergonomic alignment thanks to its tilt function (±15°), swivel range (±90°) and 360° rotation. The practical slide-in mechanism of the VESA plate simplifies handling during maintenance or replacement. The anti-theft device with optional padlock provides additional security. The integrated cable management rounds off this solution for professional use.

Wall distance: 88–248 mm
Material: Aluminum
