Experience movies with four times the resolution of conventional Blu-ray™ (Full HD), with 4K Ultra HD Blu-ray™ discs.

Dolby Vision1

Bring scenes to life with striking highlights, deeper darks and vibrant colours. Dolby Vision™1 is an HDR solution that creates an immersive, engaging cinematic experience in your home.

HDR10

An HDR10 signal contains up to 100x the brightness of a standard (SDR) signal, massively increasing peak brightness while retaining deep and highly-detailed blacks for an enhanced viewing experience.

Get the best out of every track

Like going from HD video to 4K, High-Resolution Audio tracks are far higher quality than MP3s and even CDs, letting you hear every breath, every drumbeat, every note.
