Enjoy vivid and accurate color expression with the UHD (3840x2160) 4K IPS display, and enhance work productivity with wide-angle viewing.

HDR 10 with DCI-P3 90%

See amazing colors

Our monitor supports the industry-standard HDR10 (High Dynamic Range) and a DCI-P3 90% wide color gamut, delivering precise levels of color and brightness for a truly immersive viewing experience.

Multi ports

A variety of interface

Our monitor's HDMI and DisplayPort compatibility helps you easily connect various devices for an efficient desk setup.

Ergonomic design

Easy and comfy

The 3-side thin bezel design with a slim stand seamlessly blends into your workspace, offering an ideal working experience with convenient tilt, height, swivel, and pivot adjustments.

LG Switch app

Switch swiftly

LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Flicker Safe

Flicker Safe reduces invisible flickering on the screen, which helps reduce eye strain.

Reader Mode

Reader Mode adjusts color temperature and luminance that helps to lessen eye fatigue and provide eye comfort while reading documents on a monitor.
