

Axagon CRE-X1 external 5-slot reader of memory cards

Model: CRE-X1

Manufacturer: AXAGON

EAN: 8595247901385

Product Code: 1021422

R1,027

The highly compact all-in-one AXAGON CRE-X1 MINI reader supports all current memory cards including all versions of SDHC and SDXC cards.

The fifth slot for direct support of popular miniature microSD cards.

The installation can be handled even by a layman - only plug the reader into the USB port of the computer and the rest is done automatically.

The LED indicates the correct insertion of the card and data transmission; without the inserted card it does not bother you with unnecessary shine.

The power supply of the reader is via USB bus.

Card reader:
