R958

The Philips USB flash drive silver edition is an easy way to share and transport your data. A useful 16GB gives you the capacity to swap and share large files like documents, pictures and music via the USB port of your PC or laptop.

Everything you need

- Specially designed and easy-to-use software pre-installed
- Activity indicator lights up when copying files

Performance and capacity

- Automatic compression of all files saves free space
- Fast data transfer with high-speed USB 2.0
- File synchronisation between complete PC and UFD
- 16 GB storage capacity for large data files

Safe and secure
