Chieftec Polaris PRO 1300W power supply unit 20+4 pin ATX ATX Black

Model: PPX-1300FC-A3

Manufacturer: CHIEFTEC

EAN: 753263078162

Product Code: 1086096

R6,907

The CHIEFTEC Polaris Pro Series features advanced thermal control with the Zero RPM mode, enabling the optimal balance between silence at low power consumption and ideal cooling, with 80 PLUS® PLATINUM certified efficiency. Polaris Pro Series is designed for Intel’s state-of-the-art ATX 3.0 standard with native PCIe GEN5 connector. The Polaris Pro Series is built with 100% high-end Japanese capacitors to achieve unprecedented tight voltage regulation and lower ripple and noise to maximize your system performance and excellent durability. Fully modular cable management ensures a clean and convenient build inside any system.
