Power through your day with the Acer Chromebook 311, an everyday Acer Chromebook equipped with the latest Intel® processor1, brilliant HD display with anti-glare, HD camera, and fast connectivity that’s got you covered for your daily challenges.

Optimized Performance

Kick-start your day with an Acer Chromebook that’s powered by the latest Intel® processor1 with enhanced fast LPDDR5 memory. With low power usage and long battery life, the Acer Chromebook 311 is an ideal companion for your daily endeavors.

Microsoft 365® Compatibility

Concerned with compatibility? No worries. Acer Chromebooks work with Microsoft 365®4. Whether it’s Word, Excel® or PowerPoint®, you can easily find the apps on the web. With Google Docs, Sheets, and Slides also included, Acer Chromebooks are well equipped to help you be productive and get your work done.

Visual Splendor

Immerse yourself in the HD Display with anti-glare coating and stay productive even in bright rooms.

Enhanced Video Interaction

Enhance your video presence with the HD HDR webcam, featuring a camera shutter for protecting your privacy. With Acer TNR solution and Facial Auto-exposure technologies, redefine your video calling experience.

Acer Swift Connectivity

Stay connected to the world with fast WiFi 6E connectivity. Plug in your favorite accessories and devices with the fully function USB Type C or USB Type 3.2 Gen 1 Type A port.
