Designed specifically for your printer, the genuine Brother TN-243CMYK toner value pack, gives you all the colour toner cartridges in one handy pack. You will find a cyan, magenta, yellow and black toner cartridge, each printing up to 1,000 pages. Compatible with a range of printers, our easy to install cartridges will help you produce long-lasting documents that won’t smudge or fade over time.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
