The ideal introduction to the Wi-Fi 6 home network

The FRITZ!Box 7510 is at home on DSL or VDSL connections. It upgrades your home network with the latest wireless standard, Wi-Fi 6 Practical features for your internet, a complete telephone system and a host of convenience features make the FRITZ!Box 7510 a little powerhouse.

Internet, Wi-Fi and telephony – with FRITZ!

The FRITZ!Box 7510 is the smart, energy-efficient hub for your home network: It is designed for DSL connections up to 300 Mbit/s and provides stable Wi-Fi 6 in the long-range 2.4 GHz band.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

You enjoy full FRITZ! convenience with a telephone system that supports up to six DECT phones and up to 20 phone numbers – plus a socket for analog phones. You can also sync your online contacts from Google, Apple iCloud and more with your FRITZ!Box.

FRITZ!Apps for added convenience and Smart Home

Discover the convenience of Smart Home with FRITZ! – connect FRITZ! Smart Home and third-party devices with your FRITZ!Box 7510 using DECT ULE/HAN FUN technology:

With the FRITZ!Apps for your smartphone you can make phone calls in the home network, access FRITZ!Box convenience features from on the go, and keep an eye on your Smart Home.

FRITZ!Box for safety's sake

The security concept covers all FRITZ!Box areas: secure browsing thanks to the built-in firewall, Wi-Fi protected with an individual network key upon delivery, and guest access that lets friends and family access the internet but not your home network. These and many other features make your communication secure.

FRITZ!OS: The genius behind FRITZ!

FRITZ!OS is the smart operating system for all FRITZ! products. It combines ease-of-use with versatile features and comprehensive security. A clear user interface and wizards accompany you every step of the way. Regular updates keep your FRITZ!Box up to date – you can also turn on automatic updates.
