NETGEAR GSM7328FL Upgrade

Model: GSM7328FL-10000S

Manufacturer: NETGEAR

EAN: 606449075076

Product Code: 499600

R14,520

The upgrade license GSM7328FL unlocks IPv6 dynamic routing capabilities of the GSM7328FS. Purposely built for enterprise networks and core/aggregation layers of SMB networks, an IPv6 upgraded GSM7328FS provides ACLs, QoS and advanced routing protocols such as OSPF, and multicast for IPv6 converged applications.
