TP-Link ES206XPP-M2 network switch Managed L2 2.5G Ethernet (100/1000/2500) Power over Ethernet (PoE) Desktop/Wall-Mounting Black

Model: ES206XPP-M2

Manufacturer: TP-LINK

EAN: 1210002600965

Product Code: 1572022

R5,977

Power over Ethernet, Flexible Network Deployment

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Transmit both data and power via a single cable to other PoE++ devices, without the hassle and cost of installing power cabling. Automatically detect and supply the required power to PoE-enabled devices.

Works with Omada Central Essentials for Free and Easy Cloud Management

Omada Central Essentials provides free and easy-to-use centralized cloud management and monitoring for the Omada networking system, covering access points, switches, and gateways, ideal for small businesses and home office.
