Bissell Stain trapper for spot and carpet cleaning

Model: 2370

Manufacturer: BISSELL

EAN: 011120244663

Product Code: 511680

R1,240

This tool can be attached to your BISSELL carpet cleaner's, or spot cleaner, hose.

Set the tool directly on top of the stain you would like to remove, and pull the trigger to spray a mixed solution of formula and water onto that stain. Release the trigger, and gently scrub the stain with brush bristles, to have it completely removed. This tool will store picked up debris into an internal, separate and removable dirt container. In this way you can easily empty it by disposing the dirt container only. The dirt will not end up in the hose or machine, and will keep it clean and easy.
