R958

The USB-C Earbud Headset delivers high-quality digital audio in a sleek and comfortable design, ideal for work, study, or entertainment. It features a 1.2-meter cable with a USB-C connector for easy Plug and Play compatibility with modern devices. The ergonomic earbuds provide a secure fit for all-day comfort, while the noise reduction microphone ensures clear voice pickup for calls and meetings. An in-line remote lets you manage calls, control music, and adjust volume with ease, offering a convenient and immersive listening experience wherever you go.
