and more can remove more. This compact device features two-tank technology, which ensures that fresh water and detergent are kept separate from used water. So you can be sure to always clean with clean water. The 15 cm attachment is designed for stubborn, everyday stains, which it loosens and removes. The stain catcher attachment sprays, scrubs and vacuums up the toughest and most smelly messes and holds them in the attachment to prevent them from entering the appliance. Use the HydroRinse attachment to easily clean the device after use. Plus, every purchase helps save pets. BISSELL proudly supports the BISSELL Pet Foundation® and their mission to rescue homeless pets.
