R7,361

The freedom to work, think, & excel

Certified eye-friendly, the ThinkCentre Tiny-in-One 27 is designed to enhance productivity. With facial recognition and a webcam privacy cover, this 27" monitor is security-minded, too. It's also Tiny PC-compatible. So you can have the right all-in-one for your business now. And upgrade the display or PC when your needs change.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
