

Axagon PCEA-P1N PCIe - 1x parallel port adapter w. SP & LP

Model: PCEA-P1N

Manufacturer: AXAGON

EAN: 8595247906434

Product Code: 514933

R824

The AXAGON PCEA-P1N PCI-Express card adds one parallel port with a DB25 connector to your desktop PC.

This allows you to connect parallel devices to your computer such as printers, plotters, hardware keys or EPROM programmers etc.

Seamless compatibility and wide port options are ensured by using the proven ASIX chipset.

Thanks to included low profile bracket, the adapter can be mounted into standard and also into low profile case.
