FSN 1600 Professional: Further information

Product Highlights

The FSN 1600 Professional guiderail with a length of 1,600 mm features a unique technology for exact cuts. Constructed with high-quality workmanship for precise guidance, it is perfectly compatible with all related power tools. For ideal stability, the FSN VEL optional extension connector can be attached for a quick and strong connection between two guiderails. Its easily replaceable, non-slip rubber stripes and splinter protection enable complete control during operation, resulting in a clean cutting edge. For perfect cutting results, this guiderail is intended for use with plunge and circular saws. It is compatible with all Bosch Professional GKS G-model circular saws, all GKT Professional plunge saws, as well as selected GST Professional jigsaws and GOF Professional routers with an adapter.

Equipment & Application

The FSN 1600 Professional guiderail also includes a spare plastic T cap.
