Keep your iPad® protected while showing off its natural good looks with this durable Pro-Tek™ Clear Case.

Complement your colorful new iPad with the Targus® Pro-Tek® Clear Case for iPad® (10th gen.) 10.9-inch – a case engineered for protection. Featuring a shock-absorbent tray with wrap-around bezel, covered buttons, and reinforced corners, plus a protective folio cover, the case delivers military-grade drop protection (up to 4 feet/1.2 meters)* in its sleek, clear-back design.

With a new take on our signature Pro-Tek cover, this case’s bi-fold cover flips open into a stand, allowing for multiple viewing angles or typing positions, and helps you find the most comfortable hands-free placement whether you’re scrolling, posting, or streaming the latest video.

Its precision cutouts allow complete access to ports and cameras, and even has a built-in stylus holder making it easy to store your Apple Pencil® (Pencil sold separately by Apple®).

Military Grade Protection

Minor drops and bumps are no problem for this sturdy, structured case. The Pro-Tek® Case has even passed rigorous MIL-STD 810G testing*. This ensures your iPad® is safe from drops up to 4 feet (1.2 meters).

Clear Coverage

No need to hide that colorful iPad® behind the case to fully protect it. Its back cover is made with a clear, shock-absorbent TPU, so you can show off the color of your iPad® while keeping it securely wrapped in protection. Not only protective, but functional, its precision cutouts allow access to all ports and ensures the camera is accessible for photos or videos without removing it from the case.

Take Cover

Enjoy full-device protection with the integrated bi-fold folio cover. With a soft-lined interior to protect the screen from scratches and sturdy exterior to safeguard from the elements, the cover also doubles as a stand, flipping to the perfect viewing and typing angle while in landscape mode.
